

REPLANTED MINISTRY

2024

ANNUAL REPORT

“Replanted is a lifeline that brings together people who really “get it”. This is the best thing I’ve done for support in my 5 year fostering journey.”

– Lindsey B.

What a year!

In 2024, our theme “Worth It” reminded us of the deep, sacrificial love God calls us to in caring for vulnerable children and families. Thanks to your generosity, foster and adoptive families found the support, encouragement, and community they needed to keep going, even when the journey was hard. You helped families persevere, knowing they are never alone. Because of you, lives were changed, hope was restored, and families were reminded that **every child is truly worth it.**

REPLANTED GROUPS IMPACT

For the first time in our organization’s history, we were able to hire **2 PART-TIME GROUPS COORDINATORS**. Staff expansion allowed us to offer both a **SPRING** and **FALL** cohort to launch groups.
